6) In all cases of land Acquisition the lands are acquired by Govt either by payment of ~~the~~ cash at a computation or by grant of land instead. The payment of a monthly rate or rent has never been the practice and is not strictly the proper procedure to be adopted in cases of acquisition.

9 Evidently S no 229, belonging to the Sikhs has not been acquired and the Board must have been paying a ground rent of Rs. 10/- per month. They have now resolved to pay a monthly rent of Rs. 7/- on account of S no 230 belonging to the temples, ~~which was to appear~~ The matter may be referred to ascertain whether these payments are in the nature of rents like the Rs. 7 or whether the title to the Land vests with them. If appears that the payment of Rs 7 is in the nature of a monthly rent like the land is granted the resolution of the Bd may be approved.

Evidently from the Sanitary Bd Especially as no land of equal size & yield is available for being granted to the orchard.

17 The procedure adopted by the Sanitary Bd in taking possession of the land in question seems to be highly irregular, in as much as the land acq.n regulations proceedings have not been followed. May the Boards' resolution for granting a cash rem.n of Rs 7 p.m. to the orchard be sanctd? If this is approved, it is a matter for consideration whether the orchard should not be remunerated suitably for the last 17 years during which period he has been deprived of this land.

Secy. 20/ The Board's resolution seems to be a fair one. A lumpsum payment of Rs 7 Capitalised at 25 times, represents a payment of Rs 2100 as compensation or a little over Rs 900 an acre which is not exorbitant. Considering the value of lands in crowded parts of the Gold Fields Area.

If the formality of acquisition proceedings is necessary, steps may be taken and the compensation adjudged and deposited as per amendment Act with Govt deposited. In the alternative, the lands may be taken on a term lease on a rental of Rs 84 a year. This will leave the Assn in fact as has been done in the case of the Ashby Estate.

Sir,

With reference to my many previous applications re: the acquisition of certain Inamti Lands of Sri Balsomeswara Swami temple at Ooregaum Village, Kolar Gold Fields, by -- the Sanitary Board, K. G. F., I beg to submit as follows:-

Survey No. 230 of the Ooregum Village, Kolar Gold Fields is the property of the said Sri Balasomeswaraswami Temple. Its adjacent No. 229 is the property of the -- thoty of that village. The Sanitary Board authorities have acquired ~~[illegible]~~ Survey No. 229 from its owner to build cooly lines etc., and have been paying him a -- monthly rent of Rs. 10/-. To build up the necessary - latrines and other things connected therewith, the put up the required roads, to build quarters for the police staff and to put up a Bazaar street, they have acquired Survey No. 230 i.e., the temple property. They have not been paying anything to the temple ever since its acquisition whereas to the adjacent No. 229, they pay Rs. 10/- a - month. About two months ago the Sanitary Board authorities held a meeting in this connection and have passed a resolution to the effect that ~~Rs~~ 7-0-0 (Seven Rupees) a month should be given to the temple in consequence of this acquisition. The temple is a Government temple and has no other Dharmakarthas. It is a very ancient one where PUJA is being performed every day. Except these Inamti lands the temple has no other resources on which the - Archakas can maintain themselves. So I pray that you will be good enough to get the amount passed by the

S i r,

With reference to your letter No.R.1207/ L.B.14-18-18 dated the 22nd July 1919, suggesting the two courses open to the Board for having occupied S. No.230 of Oorgaum village these seventeen years, I have the honour to state that the Board desire to take the land over on a tenure based on rental of Rs.84/- a year, leaving the Inam in tact.

2. While fixing the cash remuneration at Rs.7/- per month, the ~~va~~ Value of the land as Inam and the loss he was put to for having been deprived of its possession these seventeen years were all taken into account. Its value even with accumulated interest at 6% from date of dispossession may not go over Rs.1,200/-. The rental of Rs.84/- a year proposed to be given to the Archak works at 7% on Rs.1,200/- representing the value of the land with accumulated interest. Since the matter has been considered by the Board very liberally, they are of opinion that a further contribution of Rs.700/- towards the repairs of the Temple is unnecessary.

The Archak and the Dharmadarsees of the Temple are quite satisfied if a cash grant of Rs.7/- a month is paid to the

temple from the 1st of January 1919.

3. Copy of the Board's resolution No.12 dated the 22nd August 1919 is enclosed for the perusal of Government.

4. Favour of early sanction for payment at Rs.7/- a month from 1st of January 1 919 is solicited.

I have the Honour to be,

Sir,

Your most obedient servant,
